**Rooted... Growing... Reaching...**

## WELCOME!

### Welcome!

Hey, everybody! I hope your morning is off to a great start and that you are ready to make it even better through this time of worship! If you are visiting with us today, I would like you to know that we are glad to have you and that you are welcome back anytime! I'd also like to encourage you to find someone nearby and get to know them a bit!

I want to give a shout out to our youth group here at Woodland Heights! Some of our students went last week to MFUGE in Nashville, TN. While there they participated in several different areas of mission work and also, expanded their knowledge of missions all over the world. That's some really awesome stuff, and its only just begun as we have several other things planned for this summer! Just next week we will send another group to Super Summer Arkansas! There are lots of things going on in the lives of these students. They stay busy and going all the time. I'd like to ask your prayers for our students as they go about life that they would keep Christ at the center and do everything through Him.

Thanks for being such a supportive church to myself and to our students! Now, let's all enjoy this morning of worship together!
